6ème Workshop International sur les Mathématiques Appliquées et la Modélisation

« WIMAM'2022» 26-27 Octobre 2022

Objective of the Workshop:

The objective of the "6th International Workshop for Applied Mathematics and Modeling WIMAM'2022" is to give the opportunity to PhD students to validate their research work and acquire information that can help them in their different fields. In addition, this event provides a better atmosphere for researchers to present their ideas to PhD students by giving them the opportunity to ask questions, define their directions and discover new ways of doing their scientific research. Also, the aim of this event is to bring together several national and international research teams and to create a space for dialogue and exchange of experiences in order to discuss new ideas and encourage scientific collaboration.

Conditions of participation :

To participate in WIMAM'2022, interested researchers are invited to submit an abstract of at least two pages, with 4 or 5 keywords and some references. The submitted papers should be written in English or French, prepared in TeX or LateX, fill in the registration form (see template and form on the LMAM website), and send them by email to the following address

:

Email : jgma.lmam@gmail.com

Participation and accommodation fees :

The participation fees are fixed at :

- 5000 DA, for teachers-researchers.

- 3000 DA, for PhD students.

These fees cover the midday meals on 26 and 27 October 2022 and coffee breaks

- 10000 DA for the participation with a taking in charge of the accommodation.

Topics

- Integral and differential equation

- Fixed point theory

- Numerical analysis

- Other.

Scientific Committee :

Chairman:

Prof. M.Z. AISSAOUI (Univ. Guelma).

Members

- H. GUEBBAI, Prof, Univ. Guelma.
- F. ELLAGGOUNE, Prof, Univ. Guelma.
- A. HITTA, Prof, Univ. Guelma.
- A. CHAOUI, Prof, Univ. Guelma.
- M. KURULAY, Prof, Yildiz Technical - University. Turkey
- Zhukovskiy Evgeny Semenovich, Profc
- Elena Panasenko, MCA, Derzhavin Tambov State Univ-Russia.
- Zhukovskiy Sergey Evgenevich, Prof, Derzhavin Tambov State Univ-Russia.
- Mohamed Ali HAMMAMI, Prof, Université de Sfax, Tunisie
- Aref. Jeribi, Prof, Université de Sfax, Tunisie

Organising Committee:

Chairman:

Dr. S. SEGNI (Univ. Guelma).

Members

- A. KHELLAF, MCB, Univ- ENP Constantine.
- H. BELHIRECHE, MCA, Univ- Guelma.
- A. AYACHI, MCB, Univ- Guelma
- S. BAZINE, MCA, Univ-Tébessa.
- M. GHIAT, MCA, Univ- Guelma.
- W. MERCHELA, PhD, Derzhavin Tambov State Univ, Russia.
- S. BENARAB, PhD, Derzhavin Tambov State Univ, Russia.
- N. BOUAZILA, Doctorante, Univ- Guelma.
- I.HAFAIDIA, Doctorante, Univ- Guelma.
- S. KAMOUCHE, PhD student, Univ- Guelma.
- B.TAIR, PhD student, Univ- Guelma.
- I. SEDKA, PhD student, Univ- Guelma.
- M. HANNACHI, PhD student, Univ- Guelma.
- I. BOUACIDA, Doctorante, Univ- Guelma.

Important dates :

- **Deadline for submission: 15 / 10 / 2022**

- **Conference schedule : 26-27 October 2022**

NB : The full and final version of the articles of the best selected works should be sent for the possibility of publication in the journal "Russian Universities Reports Mathematics". The journal is indexed in the Russian Science Citation Index (RSCI) database, included in the RSCI core collection, indexed in the Russian Science Citation Index (RSCI) database on the Web of Science platform. The journal is also included in Zentralblatt MATH ("Central Journal on Mathematics") and the electronic database "ZBMATH - The Zentralblatt MATH Database"; Norwegian Register of Scientific Journals, Series and Top Level Publishers (NSD); Math-Net. Ru - All-Russian portal of scientific information on mathematics, physics, information technologies and related sciences; VINITI Journal of Review and Databases of the Russian Academy of Sciences; the international database of scientific literature SciLIT; one of the largest international bibliographic databases "Ulrich's Periodicals Directory" of the American publisher Bowker (containing and describing the world flow of periodicals in all thematic areas).
